The West End is filled with local parks worth checking out. Depending on your exact location in the city, you should be able to find a great park for your family.

Many of these parks have great pavilions to rent as well as great playground equipment. IOver the last few years several have been updated by the city. Not to mention in the summer several have splash pads for the kids. And yes they are FREE

- 1.SHORT PUMP PARK Includes splash pad, they also host WOW (Weekends on Wednesdays several times through out the year) This is an event with food trucks and entertainment. They also have a great dog park.
- 2. DEEP RUN Great running and hiking trails. The playground equipment was updated in April 2019. They also have pavilions you can rent from the city with electrical outlets.
- 3. **TWIN HICKORY** If you play sports through the Y you may get to know this place well. It has wide open fields, great playground equipment and a large splash pad
- 4. **DUNCROFT PARK** is another great location that just recently added a splash pad and has pavilions you can rent.
